Hey Acton,

Someone in this area who has all the info on the damage being done supply chain wise is the Mayor of the Village of Sterling, just up the highway from me, Trevor Lewington is also the head of Economic Development Lethbridge and released a statement last week about the millions in dollars in losses happening every day.

Hello Acton,

As much as I would like to be on the show, I will respectfully decline at this time. I can't give you more detail, right now.

Sincerely,

Jim Willett

Mayor, Village of Coutts

Hello Mayor Willett,

My name is Acton and I'm a producer with CBC News in Toronto with a TV show called 'Rosemary Barton Live'.

It airs on Sunday mornings, is mostly about politics, and is hosted by our Chief Political Correspondent, Rosemary.

We're hoping you are available to join the show live this Sunday Feb. 13 for a 5-6 minute discussion about supply chain interruptions/border blockades.

We could connect with you over Skype, FaceTime or Zoom -- and it's looking like the timing would be around 8 am MST.

Is this something you are available for?

Thanks very much,
